Moral Foods Angela Ki Che Leung, Melissa L. Caldwell, 2019-10-31 *Moral Foods* The Construction of Nutrition and Health in Modern Asia investigates how foods came to be established as moral entities how moral food regimes reveal emerging systems of knowledge and enforcement and how these developments have contributed to new Asian nutritional knowledge regimes The collection s focus on cross cultural and transhistorical comparisons across Asia brings into view a broad spectrum of modern Asia that extends from East Asia Southeast Asia to South Asia as well as into global communities of Western knowledge practice and power outside Asia The first section Good Foods focuses on how food norms and rules have been established in modern Asia Ideas about good foods and good bodies shift at different moments in some cases privileging local foods and knowledge systems and in other cases privileging foreign foods and knowledge systems The second section Bad Foods focuses on what makes foods bad and even dangerous Bad foods are not simply unpleasant or undesirable for aesthetic or sensory reasons but they can hinder the stability and development of persons and societies Bad foods are symbolically polluting as in the case of foreign foods that threaten not only traditional foods but also the stability and strength of the nation and its people The third section Moral Foods focuses on how themes of good versus bad are embedded in projects to make modern persons subjects and states with specific attention to the ambiguities and malleability of foods and health The malleability of moral foods provides unique opportunities for understanding Asian societies dynamic position within larger global flows connections and disconnections Collectively the chapters raise intriguing questions about how foods and the bodies that consume them have been valued politically economically culturally and morally and about how those values originated and evolved Consumers in modern Asia are not simply eating to satisfy personal desires or physiological needs but they are also conscripted into national and global statemaking projects through acts of ingestion Eating then has become about fortifying both the person and the nation

Guilty Ann Coulter, 2009-01-06 Liberals seem to have hit upon a reverse Christ story as their belief system He suffered and died for our sins liberals make the rest of us suffer for sins we didn't commit Who are the victims here To hear liberals tell it you'd think they do nothing but suffer at the hands of ruthless entities like the Republican Attack Machine and Fox News Really It's just another instance of the Big Lie of course told so often that some people have actually started to believe it In Guilty Ann Coulter explodes this myth to reveal that when it comes to bullying no one outdoes the Left Citing case after case ranging from the hilariously absurd to the shockingly vicious Coulter dissects these so-called victims who are invariably the oppressors For instance Single mothers Getting pregnant isn't like catching the flu There are volitional acts involved someone else explain it to Dennis Kucinich By this purposeful act single mothers cause irreparable harm to other human beings their own children as countless studies on the subject make clear The myth of the Republican Attack Machine The most amazing thing liberals have done is create the myth of a compliant right wing media with Republicans badgering baffled reporters into attacking Democrats It's so mad it's brilliant It's one kind of lie to say the Holocaust occurred when the Swedes killed the Jews But it's another kind of lie entirely to say the Holocaust occurred when the Jews killed the Nazis Brave liberals In addition to being beautiful compassionate tribunes of the downtrodden liberals are brave I know that because they're always telling me how brave they are Why five nights a week MSNBC's Keith Olbermann courageously books guests who completely agree with him It doesn't get much braver than that Obambi's luck While B Hussein Obama piously condemned attacks on candidates families his media and campaign surrogates ripped open the court sealed divorce records of his two principal opponents in his Senate race in Illinois The offenders are offended Republican senator George Allen's career was destroyed when he made a joking remark to a privileged Indian American harassing him at campaign stops When did rich kids become a new protected category that must be shielded from words that are insulting in other languages How did Sidarth become a specially anointed victim What did we ever do to India And why didn't we ever hear about the far more offensive anti-Semitic flyers of Allen's opponent Jim Webb One essential and recurring truth about self-righteous liberals says Coulter is that they viciously attack all while wailing that they are the true victims With Guilty a mordantly witty and shockingly specific catalog of offenses that liberals would rather we ignore and forget Ann Coulter presents exhibits A through Z
