American History A Survey 11th Edition Notes
<i>American History</i> Alan Brinkley,1999 Highly respected for its impeccable scholarship and elegant writing style American History A Survey provides students and instructors with a comprehensive account of the American past in which no single approach or theme predominates From its first edition this text has included a scrupulous account of American political and diplomatic history Today however the book explores areas of history such as social cultural urban racial and ethnic history more history of the West and South environmental history and the history of women and gender In addition American history has not evolved in a vacuum but as part of a larger global world The eleventh edition of this text places American history into that global context making connections for students who live in an ever expanding world themselves
