Every Body Matters Gary Thomas, 2011-11-22 Few pastors or Christian writers have dared to approach the subject of how proper eating and an active lifestyle can affect how we serve God. Author Gary Thomas does just that. And he reaches all the way back to the apostle Paul who wrote that we need to prime our bodies to become an instrument for noble purposes, made holy, useful to the Master and prepared to do any good work. To illustrate the body-soul correlation, Thomas presents engaging and diverse stories that include a young mom who got fit through volleyball and reaped spiritual rewards in her marriage; a 300-pound pastor who realized his obesity was eroding his ministry impact; and a woman who gained the spiritual strength to survive a contentious divorce by training for a marathon. In every instance, Thomas makes a direct connection between the physical challenge and its spiritual consequence. This book is a must-read for anyone seeking new and compelling motivation for strengthening their bodies and fortifying their souls.

Pure Pleasure Gary Thomas, 2009-10-20 Gary Thomas, one of this generation's most trusted writers about the spiritual life, explores what it means to build a life of true pleasure, one that will liberate your spiritual life, marriage, family, community, and outreach. Many Christians assume pleasure and sin are synonymous. Others define godly pleasure so narrowly that they drastically minimize the powerful and holy role that pleasure can play in their lives. Still others feel guilty even thinking about how to build a life of pleasure. For all of them, *Pure Pleasure* provides an entirely new paradigm. It invites Christians to embrace a life of true pleasure as a pathway to obedience, worship, and service. Building on his bestselling books *Sacred Pathways*, *Sacred Marriage*, and the ECPA Gold Medallion-winning *Authentic Faith*, Gary Thomas takes readers to a new level of faith by providing a theological and inspirational framework to help them cultivate the kind of life that pleases God. Abounding with spiritual insights and practical exercises, this book invites you to shake off the shackles of misunderstanding about sin, provides the freedom to approach life in Christ with new wonder and joy, and challenges you to experience life as God meant it to be: overflowing with pleasure. Also available: *Pure Pleasure* small group video study and study guide, Spanish edition, and more.

Seeking the Face of God Gary Thomas, 1999-01-01 Thomas turns to the classic writings of well-known Christians to offer a program for rediscovering an authentic Christian spirituality that applies to everyday life's frustrations, problems, and even joys. Many will be grateful for the forceful sensitivity of this survey of classical insights into our fellowship with God. J. I. Packer.

Thomas asks, "What if we focused on why we should get married more than on who to marry? What if being in love isn't a good enough reason to get married? And most of all, what if God designed marriage to make us holy more than to make us happy?" *The Sacred Search* casts a vision for building a relationship around shared spiritual mission and making marriage with eternity at its heart.

Is the grace that pardons powerful enough to transform? Answering with a resounding yes, Thomas presents a compelling picture of what it means to be a God oasis in a God forgetting world. The first chapter alone is worth reading many times. This is beauty and struggle. This is the death that leads to life. John Ortberg, Pastor and Author, Menlo Park Presbyterian Church. Set this book down slowly, turn around, and run away unless you hunger for a deeper vision of faith and thirst for genuine life transformation. If you do, read on. Kevin Harney, Pastor and Author. A Lifelong Love Gary Thomas, 2021-04-01 A good marriage isn't something found; it's something made. Sacred Parenting Gary Thomas, 2017-08-29 Parenting is a school for spiritual formation, says author Gary Thomas, and our children are our teachers. The journey of caring for, rearing, training, and loving our children profoundly alters us forever, even when the journey is sometimes a rough one. *Sacred Parenting* is unlike any other parenting book on the market. This is not a how-to book that teaches readers the ways to discipline their kids or help them achieve their full potential. Instead of a discussion about how parents change their children, *Sacred Parenting* turns the tables and demonstrates how God uses children to change their parents. Stepping beyond the overly tilled soil of method books, parents can learn a whole new side of parenting. They'll be encouraged by stories that tell how other parents handled the challenges and difficulties of being a parent and how their children transformed their relationship with God. The lessons the author writes about are timeless. But in this edition, Thomas adds in some additional insights and stories that he's learned and lived over the past fifteen years of his own parenting. Gary has found that the lessons have remained much the same, but there are new applications for the readers in this generation who are just now coming to his book.
