Piscinae James Arnold Higginbotham, 1997 Pisciculture_the process of raising fish_held a lasting fascination for the people of ancient Rome Whether bred for household consumption cultivated for sale at market or simply kept in confinement for reasons of aesthetic appreciation fish remained a

Ancient Rome Thomas R. Martin, 2012-01-01 With commanding skill Thomas R Martin tells the remarkable and dramatic story of how a tiny poor and threatened settlement grew to become during its height the dominant power in the Mediterranean world for five hundred years Encompassing the period from Rome's founding in the eighth century B C through Justinian's rule in the sixth century A D he offers a distinctive perspective on the Romans and their civilization by employing fundamental Roman values as a lens through which to view both their rise and spectacular fall Interweaving social political religious and cultural history Martin interprets the successes and failures of the Romans in war political organization quest for personal status and in the integration of religious beliefs and practices with government He focuses on the central role of social and moral values in determining individual conduct as well as decisions of state from monarchy to republic to empire Striving to reconstruct ancient history from the ground up he includes frequent references to ancient texts and authors encouraging readers to return to the primary sources Comprehensive concise and accessible this masterful account provides a unique window into Rome and its changing fortune

Ancient Greek Civilization David Sansone, 2016-09-12 The third edition of *Ancient Greek Civilization* is a concise engaging introduction to the history and culture of ancient Greece from the Minoan civilization to the age of the Roman Empire Explores the evolution and development of Greek art literature politics and thought across history as well as the ways in which these were affected by Greek interaction with other cultures Now includes additional illustrations and maps updated notes and references throughout and an expanded discussion of the Hellenistic period Weaves the latest scholarship and archeological excavations into the narrative at an appropriate level for undergraduates

When Scotland Was Jewish Elizabeth Caldwell Hirschman, Donald N. Yates, 2015-05-07 The popular image of Scotland is dominated by widely recognized elements of Celtic culture But a significant non Celtic influence on Scotland s history has been largely ignored for centuries This book argues that much of Scotland s history and culture from 1100 forward is Jewish The authors provide evidence that many of the national heroes villains rulers nobles traders merchants bishops guild members burgesses and ministers of Scotland were of Jewish descent their ancestors originating in France and Spain Much of the traditional historical account of Scotland it is proposed rests on fundamental interpretive errors perpetuated in order to affirm Scotland s identity as a Celtic Christian society A more accurate and profound understanding of Scottish history has thus been buried The authors wide ranging research includes examination of census records archaeological artifacts castle carvings cemetery inscriptions religious seals coinage burgess and guild member rolls noble genealogies family crests portraiture and geographic place names
