27 February 2014

MEMORANDUM FOR President of the Active Guard Reserve (AGR) Hiring Board for Human Resources Specialist

SUBJECT: Letter of Recommendation for SGT Paul P. Samarin

1. It is without hesitation that I support and recommend SGT Paul Samarin to serve as a Human Resources Specialist at the Army National Guard Directorate. I have had the pleasure of working with SGT Samarin over the past year while he served for me as my full-time Regimental Human Resources Sergeant.
2. SGT Samarin is one of the most professional, talented and dedicated NCOs that I have ever had the pleasure to serve with. During my short tenure as his Regimental Commander, he has served as acting OIC of the Regimental S1 Section, diligently and flawlessly executing all personnel actions for the Regiment. His accomplishments as a BDE level Human Resources Sergeant over the past three years have made the regiment the number one unit in the State on personnel readiness. He contributed significantly to achieving Institute of Excellence on our recent TRADOC Accreditation, as well as outstanding results on multiple command inspections. SGT Samarin is an expert in all areas of human resources management to include, enlisted personnel management, promotions, pay, awards, retention, and bonus management. He has been a trusted advisor to me and two previous Regimental Commanders.
3. SGT Samarin is not only one of the best Human Resources NCOs in the State of California; he is a proven combat leader and instructor. He has been recognized for his meritorious service as a Heavy Vehicle Driver, Mechanic and Lead Vehicle Commander during combat operations in Iraq. As an instructor, he was recognized by the State CSM for his outstanding instruction and evaluation of Army Warrior Tasks during the Best Warrior Competition.
4. Finally a few words about his dedication; SGT Samarin took a voluntary reduction from E6 to E5 to join the AGR program last year after doing the work of an E7 for over two years while on ADOS status. He did this without missing a beat. He is the first one in the office in the morning and the last one to leave. His care for Soldiers is unparalleled and is his number one priority.
5. SGT Samarin will be a magnificent addition to your team. While he will be missed here at the regiment and in California, he will now make a significant contribution to the entire ARNG force.
6. For further information I can be contacted at (916) 854-3116 or [early.I.falk.mil@mail.mil](mailto:early.I.falk.mil@mail.mil).

  
E. IAN FALK

*Radiological English* Ramón Ribes, Pablo R. Ros, 2006-12-02 This is an introductory book to radiological English on the basis that there are a lot of radiologists radiology residents radiology nurses radiology students and radiographers worldwide whose English level is indeterminate because their reading skills are much higher than their fluency It is intended to help those health care professionals who need English for their work but do not speak English on a day to day basis

**Undoing the Demos** Wendy Brown, 2015-02-06 This is a book for the age of resistance for the occupiers of the squares for the generation of Occupy Wall Street The premier radical political philosopher of our time offers a devastating critique of the way neoliberalism has hollowed out democracy

**Longman Dictionary of Language Teaching and Applied Linguistics** Jack C. Richards, Richard W. Schmidt, 2013-11-04 This best selling dictionary is now in its 4th edition. Specifically written for students of language teaching and applied linguistics, it has become an indispensable resource for those engaged in courses in TEFL, TESOL, applied linguistics, and introductory courses in general linguistics. Fully revised, this new edition includes over 350 new entries. Previous definitions have been revised or replaced in order to make this the most up-to-date and comprehensive dictionary available. Providing straightforward and accessible explanations of difficult terms and ideas in applied linguistics, this dictionary offers nearly 3000 detailed entries from subject areas such as teaching methodology, curriculum development, sociolinguistics, syntax, and phonetics. Clear and accurate definitions which assume no prior knowledge of the subject matter, helpful diagrams and tables, cross-references throughout linking related subject areas for ease of reference, and helping to broaden students' knowledge. The Dictionary of Language Teaching and Applied Linguistics is the definitive resource for students.

**Halliday's Introduction to Functional Grammar** M.A.K. Halliday, Christian M.I.M. Matthiessen, 2013-09-11 Fully updated and revised, this fourth edition of Halliday's Introduction to Functional Grammar explains the principles of systemic functional grammar, enabling the reader to understand and apply them in any context. Halliday's innovative approach of engaging with grammar through discourse has become a worldwide phenomenon in linguistics. Updates to the new edition include recent uses of systemic functional linguistics to provide further guidance for students, scholars, and researchers. More on the ecology of grammar illustrating how each major system serves to realise a semantic system. A systematic indexing and classification of examples. More from corpora, thus allowing for easy access to data. Halliday's Introduction to Functional Grammar, Fourth Edition, is the standard reference text for systemic functional linguistics and an ideal introduction for students and scholars interested in the relation between grammar, meaning, and discourse.

*Panoan Languages and Linguistics* David William Fleck, 2013 This monographic study of the Panoan family will serve as an invaluable handbook for both Panoanists seeking a broader perspective and scholars who require an introduction to the family. A new classification encompassing all the extant and extinct Panoan languages and dialects, an evaluation of proposed relations to other language families, a detailed history of Panoan linguistics, a typological overview of the phonology and grammar, and a description of ethnolinguistic features in the family combine to provide a complete picture of Panoan languages and linguistics. An index with the synonyms and spelling variants of all the language names and ethnonyms that are or have been claimed to be Panoan will allow for obscure references in the literature to be quickly resolved.

**The Noncommissioned Officer and Petty Officer** Department of Defense, National Defense University Press, 2020-02-10 The Noncommissioned Officer and Petty Officer BACKBONE of the Armed Forces Introduction The Backbone of the Armed Forces To be a member of the United States Armed Forces to wear the uniform of the Nation and the stripes chevrons or anchors of the military Services is to continue a legacy of service honor and patriotism that transcends generations Answering the call to serve is to join the long line of selfless patriots who make up the Profession of Arms This profession does not belong solely to the United States It stretches across borders and time to encompass a culture of service expertise and in most cases patriotism Today the Nation s young men and women voluntarily take an oath to support and defend the Constitution of the United States and fall into formation with other proud and determined individuals who have answered the call to defend freedom This splendid legacy forged in crisis and enriched during times of peace is deeply rooted in a time tested warrior ethos It is inspired by the notion of contributing to something larger deeper and more profound than one s own self Notice This is a printed Paperback version of the The Noncommissioned Officer and Petty Officer BACKBONE of the Armed Forces Full version All Chapters included This publication is available Electronic version in the official website of the National Defense University NDU This document is properly formatted and printed as a perfect sized copy 6x9
