Flipped Wendelin Van Draanen, 2003-05-13 A classic he said she said romantic comedy. This updated anniversary edition offers story behind the story, revelations from author Wendelin Van Draanen. The first time she saw him she flipped. The first time he saw her he ran. That was the second grade, but not much has changed by the seventh. Juli says, "My Bryce still walking around with my first kiss." He says, "It's been six years of strategic avoidance and social discomfort." But in the eighth grade, everything gets turned upside down, just as Bryce is thinking that there's maybe more to Juli than meets the eye, she's thinking that he's not quite all he seemed. This is a classic romantic comedy of errors told in alternating chapters by two fresh, funny voices. The updated anniversary edition contains 32 pages of extra backmatter: essays from Wendelin Van Draanen on her sources of inspiration, on the making of the movie of *Flipped*, on why she'll never write a sequel, and a selection of the amazing fan mail she's received. Awards and accolades for *Flipped*: SLJ Top 100 Children's Novels of all time, IRA CBC Children's Choice, IRA Teacher's Choice Honor winner, Judy Lopez Memorial Award, WNBA Winner of the California Young Reader Medal. We flipped over this fantastic book, its gutsy girl Juli, and its wise, wonderful ending. The Chicago Tribune: Van Draanen has another winner in this eighth grade he said she said romance. A fast, funny, egg-cellent winner. SLJ Starred review. With a charismatic leading lady, kids will flip over a compelling dynamic between the two narrators and a resonant ending, this novel is a great deal larger than the sum of its parts. Publishers Weekly Starred review.
