Chaos Tom O'Neill, 2019-06-25 A journalist's twenty-year fascination with the Manson murders leads to gobsmacking new revelations about the FBI's involvement in this kaleidoscopic reassessment of an infamous case in American history. Over two grim nights in Los Angeles, the young followers of Charles Manson murdered seven people, including the actress Sharon Tate, then eight months pregnant. With no mercy and seemingly no motive, the Manson Family followed their leader's every order, their crimes lit a flame of paranoia across the nation, spelling the end of the sixties. Manson became one of history's most infamous criminals, his name forever attached to an era when charlatans mixed with prodigies, free love was as possible as brainwashing, and utopia or dystopia was just an acid trip away. Twenty years ago, when journalist Tom O'Neill was reporting a magazine piece about the murders, he worried there was nothing new to say. Then he unearthed shocking evidence of a cover-up behind the official story, including police carelessness, legal misconduct, and potential surveillance by intelligence agents. When a tense interview with Vincent Bugliosi, prosecutor of the Manson Family and author of *Helter Skelter*, turned a friendly source into a nemesis, O'Neill knew he was onto something. But every discovery brought more questions: Who were Manson's real friends in Hollywood, and how far would they go to hide their ties? Why didn't law enforcement, including Manson's own parole officer, act on their many chances to stop him? And how did Manson, an illiterate ex-con, turn a group of peaceful hippies into remorseless killers? O'Neill's quest for the truth led him from reclusive celebrities to seasoned spies from San Francisco's summer of love to the shadowy sites of the CIA's mind control experiments, on a trail rife with shady cover-ups and suspicious coincidences. The product of two decades of reporting, hundreds of new interviews, and dozens of never-before-seen documents from the LAPD, the FBI, and the CIA, *Chaos* mounts an argument that could be, according to Los Angeles Deputy District Attorney Steven Kay, strong enough to overturn the verdicts on the Manson murders. This is a book that overturns our understanding of a pivotal time in American history.

The Scarlett Letters Jenny Nordbak, 2017-04-04 Jenny Nordbak takes us to a place that few have seen but millions have fantasized about: revealing how she transformed herself from a USC grad lacking in confidence into an elite professional dominatrix who finds her own voice, power, and compassion for others. On an unorthodox quest to understand her hidden fantasies, Jenny led a double life for two years. By day, she was a construction manager; but at night, she became Mistress Scarlett. Working at LA's longest-running dungeon, she catered to the secret fetishes of clients ranging from accountants to movie stars. She simultaneously developed a career in the complex and male-dominated world of healthcare construction while spending her nights as a sex worker dominating men. Far from the standard issue of powerful men who pay to be helpless, Mistress Scarlett's clientele included men whose fantasies revealed more complex needs: from Tickle Ed to Doggie Dan, from the Treasure Trolls to Ta Da Ted. *The Scarlett Letters* explores the spectacularly diverse array of human sexuality and the fascinating cast of characters that the author encountered along the way.

Glenn Ford Peter Ford,2011-05-12 Glenn Ford star of such now classic films as Gilda Blackboard Jungle The Big Heat 3 10 to Yuma and The Rounders had rugged good looks a long and successful career and a glamorous Hollywood life Yet the man who could be accessible and charming on screen retreated to a deeply private world he created behind closed doors Glenn Ford A Life chronicles the volatile life relationships and career of the renowned actor beginning with his move from Canada to California and his initial discovery of theater It follows Ford s career in diverse media from film to television to radio and shows how Ford shifted effortlessly between genres playing major roles in dramas noir westerns and romances This biography by Glenn Ford s son Peter Ford offers an intimate view of a star s private and public life Included are exclusive interviews with family friends and professional associates and snippets from the Ford family collection of diaries letters audiotapes unpublished interviews and rare candid photos This biography tells a cautionary tale of Glenn Ford s relentless infidelities and long slow fade out but it also embraces his talent driven career The result is an authentic Hollywood story that isn t afraid to reveal the truth Best Books for General Audiences selected by the American Association of School Librarians Best Books for General Audiences selected by the Public Library Reviewers

Runaways Elizabeth Swados,1980 Runaways is a collection of songs dances and spoken word pieces performed by children who have run away from their homes Initially created from interviews with homeless children and those in orphanages Liz Swados unique piece weaves songs about personal struggle and the world at large through the eyes of youth in New York City in the 70s The show blends different musical styles from pop to hip hop and jazz to reggae while asking why children can t remain children The licensed version of Runaways reflects the version performed by Encores in 2016
