## A Mermaid's Ransom

**A Mermaid's Ransom** Joey W. Hill, 2017-07-31 Growing up the daughter of a famous mermaid and the second in command of the angelic legions can put a lot of pressure on a girl. Though she loves her parents, Alexis has chosen to live among humans as an ordinary college girl, but she can't hide the tranquil aura of angelic light and empathic ability that draws people to her. Unfortunately, while it draws men to her, none of them are willing to cross the line to find her true heart and soul or even give her a decently passionate kiss. That is until she begins to dream of a male trapped in fire and rage who wants her so badly he'll tear the universe apart to have her. However, while all she can feel is his pain and suffering and a yearning to heal him, Dante sees her as the way to his freedom. He thinks he's willing to destroy her to accomplish that, but once he kidnaps her into his world and is confronted with the girl who is the opposite of everything he's ever known, he starts to wonder if his freedom is as important as keeping her by his side.

**A Mermaid's Ransom** Joey W. Hill, 2009-12-01 A story of two lovers who could not be more different. Daughter to an angel and a mermaid, Alexis has grown up in peaceful waters. So when her nightmares begin, the mer-angel has little idea what to make of them. In her dream is the loneliest man Alexis has ever met, and she's strangely drawn to him. Until the night her dream comes true. Born of a vampire and a Dark One, Dante only knows brutality. And although he's the leader of the underworld, he longs to escape it. How better than to hold for ransom the Prime Legion Commander's daughter? But there's one thing Dante never planned on: the way Alexis steals his heart.

Each poem is about a mermaid, but the beginning of the book concerns how the mermaids are instructed by a red octopus to fulfill their mermaid duties. Girls will love the book, and that is the targeted audience.
