**From Memory to Marble** Elizabeth Rankin, Rolf Michael Schneider, 2020-09-07 For the first time the 92 metre frieze of the Voortrekker Monument in Pretoria one of the largest historical narratives in marble has been made the subject of a book The pictorial narrative of the Boer pioneers who conquered South Africa's interior during the Great Trek 1835-52 represents a crucial period of South Africa's past Conceptualising the frieze both reflected on and contributed to the country's socio-political debates in the 1930s and 1940s when it was made The book considers the active role the Monument played in the rise of Afrikaner nationalism and the development of apartheid as well as its place in post-apartheid heritage The frieze is unique in that it provides rare evidence of the complex processes followed in creating a major monument Based on unpublished documents drawings and models these processes are unfolded step by step from the earliest discussions of the purpose and content of the frieze through all the stages of its design to its shipping to post-war Italy to be copied into marble from Monte Altissimo up to its final installation in the Monument The book examines how visual representation transforms historical memory in what it chooses to recount and the forms in which it is depicted The second volume expands on the first by investigating each of the twenty-seven scenes of the frieze in depth providing new insights into not only the frieze but also South Africa's history Francois van Schalkwyk of African Minds co-publisher with De Gruyter writes From Memory to Marble is an open access monograph in the true sense of the word Both volumes of the digital version of the book are available in full and free of charge from the date of publication This approach to publishing democratises access to the latest scholarly publications across the globe At the same time a book such as From Memory to Marble with its unique and exquisite photographs of the frieze as well as its wealth of reproduced archival materials demands reception of a more traditional kind that is on the printed page For this reason the book is likewise available in print as two separate volumes The printed and digital books should not be seen as separate incarnations each brings its own advantages working together to extend the reach and utility of From Memory to Marble to a range of interested readers

Birth of a Reformation Andrew Byers, 2015-03-19 The life and labors of D S Warner are so closely associated with a religious movement that any attempt at his biography becomes in part necessarily a history of that movement I have therefore chosen the term Birth of a Reformation as a part of the title of this book Brother Warner to use an appellation in keeping with the idea of universal Christian brotherhood was doubtless chosen of God as an instrument for accomplishing a particular work What that work was why it may be called a reformation and why in particular it may be considered the last reformation a few words of explanation by way of introduction are offered the inquiring reader It will be necessary to take a brief glance over the Christian era and review some of the important events and conditions We note the characteristics of the church in the days of the apostles which by reason of its recent founding and organization by the Holy Spirit is naturally regarded as exemplary and ideal It had no creed but the Scriptures and no government but that administered by the Holy Spirit who set the members in the body as it pleased him apostles prophets teachers evangelists pastors etc Thus subject to the Spirit the early church was flexible capable of expansion and of walking in all the truth and of adjusting itself to all conditions It was in very essence the church the whole and not a section or part The apostles and early believers did not restrict themselves and become a Jewish Christian sect or any other kind of sect Peter s way of thinking would have thus limited him for as a Jew he declined any particular interest in Gentile converts but the Lord through a vision changed his mind and advanced his understanding to include the universality of the Christian kingdom The Holy Spirit in the heart was necessary of course to the successful government of the church by the Spirit otherwise he could not have been understood There were no dividing lines for it was the will of the Lord particularly that there be one fold and one shepherd Jesus had prayed in behalf of the disciples that they all may be one as thou Father art in me and I in thee that they also may be one in us that the world may believe that thou hast sent me These conditions of being subject to the word and Spirit of leaving an open door through which greater light and truth might enter as was necessary and of possessing the love and unity of spirit that cemented the believers together and carried them through all their persecution constituted the ideal and normal status of God s church on earth as he gave it beginning of which it was ordained that there should be but one only one as long as the world should endure There is one body and one Spirit even as ye are called in one hope of your calling
