*The Tiger* John Vaillant,2010-08-24 It s December 1997 and a man eating tiger is on the prowl outside a remote village in Russia s Far East The tiger isn t just killing people it s annihilating them and a team of men and their dogs must hunt it on foot through the forest in the brutal cold To their horrified astonishment it emerges that the attacks are not random the tiger is engaged in a vendetta Injured and starving it must be found before it strikes again and the story becomes a battle for survival between the two main characters Yuri Trush the lead tracker and the tiger itself As John Vaillant vividly recreates the extraordinary events of that winter he also gives us an unforgettable portrait of a spectacularly beautiful region where plants and animals exist that are found nowhere else on earth and where the once great Siberian Tiger the largest of its species which can weigh over 600 lbs at more than 10 feet long ranges daily over vast territories of forest and mountain its numbers diminished to a fraction of what they once were We meet the native tribes who for centuries have worshipped and lived alongside tigers even sharing their kills with them in a natural balance We witness the first arrival of settlers soldiers and hunters in the tiger s territory in the 19th century and 20th century many fleeing Stalinism And we come to know the Russians of today such as the poacher Vladimir Markov who crushed by poverty have turned to poaching for the corrupt high paying Chinese markets Throughout we encounter surprising theories of how humans and tigers may have evolved to coexist how we may have developed as scavengers rather than hunters and how early Homo sapiens may have once fit seamlessly into the tiger s ecosystem Above all we come to understand the endangered Siberian tiger a highly intelligent super predator and the grave threat it faces as logging and poaching reduce its habitat and numbers and force it to turn at bay Beautifully written and deeply informative The Tiger is a gripping tale of man and nature in collision that leads inexorably to a final showdown in a clearing deep in the Siberian forest

**Bhabhi's Adventures** Seema Sachdev,2015-10-28 Please note Intended for matured readers 18 Conversations that took place in Hindi and are recorded as such in italics immediately followed by a translation in English Readers familiar with Hindi might find it rewarding to read through the original Hindi conversations Others can conveniently skip them In Hindi as in many Asian languages different terms are used for addressing or referring to persons of higher or lower social status or degree of familiarity with the speaker Thus in place of the universal you in English one would use aap to address a stranger or person of higher status tum for a friend or person of equal status and tu only to address persons of much lower status or for someone very close or intimate One day there was a condom malfunction Some of Shyam s virile semen seeped into Renu s fertile womb and to cut a long story short Renu missed her period Women in Renu s maternal line were prone to severe nausea and vomiting during pregnancy and Renu had also unfortunately inherited that trait Soon her morning sickness became so severe that she was nauseous throughout the day and was hardly able to keep anything down No remedy seemed to work To make matters worse she developed an aversion to sex In fact the mere sight of her husband s underwear hanging out to dry on the clothesline was enough to bring on a severe bout of retching So finally Shyam had no alternative but to send Renu off to her father s home in Satara when she was barely in her third month of pregnancy That meant that he had to spend almost 8 to 9 months without his wife assuming that she would return after the baby was say a couple of months old

*Cyber Sexy* Richa Kaul Padte,2018-05-15 In 1946 American judge Potter Stewart famously said I can't define pornography but I know it when I see it Over seventy years later the reverberations of this sentence are still felt across the world From proposed porn bans to religious morality to women's rights the assumption is that porn has a single knowable definition But if one man's pornography is another woman's erotica is another person's sex tape what really counts as porn And who gets to do the counting In this alternative conversation around digital sexual expression in India Richa Kaul Padte takes readers on an intimate tour of the sexy internet From camgirls to fanfiction writers homemade videos to consent violations *Cyber Sexy* is an unflinching deep dive into the messy terrain of what it means to seek out pleasure online The question of whether or not something counts as porn is ultimately left up to the reader After all you'll know it when you see it right
