Dr. Tony Evans begins with an overarching look at the need for Kingdom parenting, our roles and responsibilities in raising God-following children, and how to prepare children to take on the assignments God has for their lives. He then takes a practical turn with examples and illustrations to help parents understand and provide specific training for kids in the power of prayer, wisdom, loving God's Word, getting through trials, controlling their tongues, developing patience, the surrender of service, and much more. This book is for every dad or mom who wants to fulfill the parenting role God has given them, not just in raising healthy kids intellectually, physically, and socially, but in contributing to their child's relationship with God and alignment under His plan.

*Kingdom Disciples* Tony Evans, 2017-07-04 Where have all the disciples gone? There is a missing force in Christianity today. It's a critical one, and its absence has led to weak believers, disintegrating families, ineffective churches, and a decaying culture. Without it, we lack what we need to fully live as heaven's representatives on earth. That missing force is discipleship. In *Kingdom Disciples*, Tony Evans outlines a simple, actionable definition of discipleship to help the church fulfill its calling. Readers will learn: What a disciple is; What a disciple cares about; How to be a disciple and make disciples; What discipleship looks like in community; What the impact of discipleship on the world can be. Kingdom disciples are in short supply, and the result is a legion of powerless Christians attending powerless churches, having a powerless presence in the world. The power, authority, abundance, victory, and impact God has promised will only come about when we understand and align ourselves with His definition of discipleship. *Kingdom Disciples* calls believers and churches back to our primary, divinely ordained responsibility to be disciples and make disciples. Only when we take seriously this assignment will the world see heaven at work on earth. Will you accept the assignment? *Kingdom Disciples* is useful as base material for a course on discipleship.
