Cowards Glenn Beck, 2012-06-12 Glenn Beck the New York Times bestselling author of The Great Reset provides readers with the truth about the issues the media and politicians are scared to touch COURAGE COWARDS As we approach the most important presidential election in America's history something has been lost among all of the debates attack ads and super PACs something that Americans used to hold in very high regard THE TRUTH Glenn Beck likes to say that the truth has no agenda but there's another side to that people who have agendas rarely care about the truth And these days it seems like everyone has an agenda The media leads with stories that rate over those that matter Politicians put lobbyists and electability over honesty Radicals alter history in order to change the future In Cowards Glenn Beck exposes the truth about thirteen important issues that have been hijacked by deceit Whether out of spite greed or fear these are the things that no one seems to be willing to have an honest conversation about For example How our two party POLITICAL SYSTEM often leaves voters with NO GOOD OPTIONS How extremists are slowly integrating ISLAMIC LAW into our SOCIETY How PROGRESSIVE religious leaders like JIM WALLIS are politicizing the Bible How the CARTEL VIOLENCE on our border is FAR WORSE than people realize How LIBERTARIAN has been INTENTIONALLY turned into a DIRTY WORD How GEORGE SOROS has amassed enough MONEY and POWER to INFLUENCE entire ECONOMIES In some cases the truth is out there but people simply don't want to hear it It's much easier and certainly a lot more convenient to keep our blinders on After all as a quote attributed to President James Garfield made clear The truth will set you free but first it will make you miserable Miserable or not the truth can no longer be something we hope for it must be something we live When courage prevails cowards do not and this book was written to ensure that's exactly what happens

Broke Glenn Beck, Kevin Balfe, 2010-10-26 Glenn Beck the New York Times bestselling author of *The Great Reset* showcases his distinctive humor in taking on the political landscape in his fight to fix America before it's too late. As the most important presidential election in our history looms, ask yourself: Are America's finances in better shape than they were four years ago? Or are we still BROKE? THE FACTS: THE FUTURE: THE FIGHT TO FIX AMERICA BEFORE IT'S TOO LATE. Our nation is financially broke, but that's just a side effect of our broken spirit, our broken faith in government, the broken promises by our leaders, and a broken political system that has centralized power at the expense of individual rights. How did we get into this mess? Glenn Beck thinks the answer is pretty simple: Because we've turned our backs on the Constitution. Few of us have ever seen the whole picture, and politicians have done everything in their power to hide the truth. *Broke* exposes what we're really facing and how to fix it. Packed with great stories from history, invaluable teachable moments, and Glenn Beck's trademark combination of entertainment and enlightenment, *Broke* makes the case that when you're traveling in the wrong direction, slight course corrections won't cut it; you need to take drastic action. Through a return to individual rights, an uncompromising adherence to the Constitution, and a complete rethinking about the role of government in a free society, Glenn exposes the idea of transformation for the progressive smokescreen that it is and instead builds a compelling case that restoration is the only way forward. With this awareness, it's much easier to develop a realistic plan for uniting all Americans around the concept of shared sacrifice. After all, this generation may not be asked to storm beaches, but we are being asked to do something just as critical to preserving freedom.
