<p><i>Tracing Your Mississippi Ancestors</i> Anne S. Lipscomb, Anne L. Webster, Kathleen S. Hutchison, 2009-10-20 This easy to understand guide through a maze of research possibilities is for any genealogist who has Mississippi ancestry It identifies the many official state records incorporated community records related federal records and unofficial documents useful in researching Mississippi genealogy Here the contents of these resources are clearly described and directions for using them are clearly stated <i>Tracing Your Mississippi Ancestors</i> also introduces many other helpful genealogical resources including detailed colonial territorial state and local materials Among official records are census schedules birth marriage divorce and death registers tax records military documents and records of land transactions such as deeds tract books land office papers plats and claims In addition to noting such frequently used sources as Confederate Army records this guidebook leads the researcher toward lesser known materials such as passenger lists from ships Spanish court records midwives reports WPA county histories cemetery records and information about extinct towns Since researching forebears who belong to minority groups can be a difficult challenge this book offers several avenues to discovering them Of special focus are sources for locating African American and Native American ancestors These include slave schedules Freedman s Bureau papers Civil War rolls plantation journals slave narratives Indian census records and Indian enrollment cards To these specialized resources the authors of <i>Tracing Your Mississippi Ancestors</i> append an annotated bibliography of published and unpublished genealogical materials relating to Mississippi Including over 200 citations this is by far the most comprehensive list ever given for researching Mississippi genealogy In addition all of Mississippi s local county and state repositories of genealogical materials are identified but because most documents for tracing Mississippi ancestors are found at the Mississippi Department of Archives and History the authors have made the state archival collection in Jackson the focus of this book</p>

*Historical Dictionary of Russian and Soviet Cinema* Peter Rollberg, 2016-07-20 Russian and Soviet cinema occupies a unique place in the history of world cinema. Legendary filmmakers such as Sergei Eisenstein, Vsevolod Pudovkin, Dziga Vertov, Andrei Tarkovsky, and Sergei Paradjanov have created oeuvres that are being screened and studied all over the world. The Soviet film industry was different from others because its main criterion of success was not profit but the ideological and aesthetic effect on the viewer. Another important feature is Soviet cinema's multinational Eurasian character, while Russian cinema was the largest. Other national cinemas such as Georgian, Kazakh, and Ukrainian played a decisive role for Soviet cinema as a whole. The *Historical Dictionary of Russian and Soviet Cinema* provides a rich tapestry of factual information together with detailed critical assessments of individual artistic accomplishments. This second edition of *Historical Dictionary of Russian and Soviet Cinema* contains a chronology, an introduction, and a bibliography. The dictionary section has over 600 cross-referenced entries on directors, performers, cinematographers, composers, designers, producers, and studios. This book is an excellent access point for students, researchers, and anyone wanting to know more about Russian and Soviet Cinema.

**The Ku Klux Klan in Mississippi** Michael Newton, 2009-12-21 Since 1866 the Ku Klux Klan has been a significant force in Mississippi, enduring repeated cycles of expansion and decline. Klansmen have rallied, marched, elected civic leaders, infiltrated law enforcement, and committed crimes ranging from petty vandalism to assassination and mass murder. This is the definitive history of the KKK in Mississippi, long recognized as one of the group's most militant and violent realms. The campaigns of terrorism by the Klan, its involvement in politics, and religion, and its role as a social movement for marginalized poor whites are fully explored.

**The Samuel and Mary (Myers) Burris Family** Jesse Burris, 1999-05-31 Focusing mainly on the Burris families of Amite County, Mississippi, and the Florida Parishes of Louisiana, this examination offers a mother lode of information for genealogists researching the Burris line, which may include such family name variations as Burroughs, Burrows, Burrus, Burruss, Burress, and Burriss. Much more than a tale of who begat whom, this volume provides helpful insight into the nature of the family. By their fellow men, the Burris families are usually highly regarded. They are considered reliable, trustworthy, and honest. They also are known for their fair play. One of the highest tributes the author ever heard paid to their character came from a former district attorney who remarked that whenever he had a case to come before a jury and there were Burris men present, he always accepted them without a single question.

Pike County, Mississippi, 1798-1876 Luke Ward Conerly, 1909

*Critical Terrorism Studies* Richard Jackson, Marie Breen Smyth, Jeroen Gunning, 2009-02-05 In direct response to the growth of a critical perspective on contemporary issues of terrorism, this edited volume brings together a number of leading scholars to debate the need for and the shape of the exciting new subfield of critical terrorism studies.
