**Africa Speaks, America Answers** Robin D. G. Kelley,2012-03-13 In Bedford Stuyvesant Brooklyn pianist Randy Weston and bassist Ahmed Abdul Malik celebrated with song the revolutions spreading across Africa In Ghana and South Africa drummer Guy Warren and vocalist Sathima Bea Benjamin fused local musical forms with the dizzying innovations of modern jazz These four were among hundreds of musicians in the 1950 s and 60 s who forged connections between jazz and Africa that definitively reshaped both their music and the world Each artist identified in particular ways with Africa s struggle for liberation and made music dedicated to or inspired by demands for independence and self determination That music was the wild boundary breaking exultation of modern jazz The result was an abundance of conversation collaboration and tension between African and African American musicians during the era of decolonization This collective biography demonstrates how modern Africa reshaped jazz how modern jazz helped form a new African identity and how musical convergences and crossings altered politics and culture on both continents In a crucial moment when freedom electrified the African diaspora these black artists sought one another out to create new modes of expression Documenting individuals and places from Lagos to Chicago from New York to Cape Town Robin Kelley gives us a meditation on modernity we see innovation not as an imposition from the West but rather as indigenous multilingual and messy the result of innumerable exchanges across a breadth of cultures

**Finding Bix** Brendan Wolfe,2017-05-15 Bix Beiderbecke was one of the first great legends of jazz Among the most innovative cornet soloists of the 1920s and the first important white player he invented the jazz ballad and pointed the way to cool jazz But his recording career lasted just six years he drank himself to death in 1931 at the age of twenty eight It was this meteoric rise and fall combined with the searing originality of his playing and the mystery of his character who was Bix not even his friends or family seemed to know that inspired subsequent generations to imitate him worship him and write about him It also provoked Brendan Wolfe s Finding Bix a personal and often surprising attempt to connect music history and legend A native of Beiderbecke s hometown of Davenport Iowa Wolfe grew up seeing Bix s iconic portrait on everything from posters to parking garages He never heard his music though until cast to play a bit part in an Italian biopic filmed in Davenport Then after writing a newspaper review of a book about Beiderbecke Wolfe unexpectedly received a letter from the late musician s nephew scolding him for getting a number of facts wrong This is where Finding Bix begins in Wolfe s good faith attempt to get the facts right What follows though is anything but straightforward as Wolfe discovers Bix Beiderbecke to be at the heart of furious and ever timely disputes over addiction race and the origins of jazz sex and the influence of commerce on art He also uncovers proof that the only newspaper interview Bix gave in his lifetime was a fraud almost entirely plagiarized from several different sources In fact Wolfe comes to realize that the closer he seems to get to Bix the more the legend retreats
