Essentials of Real Estate Finance

Real Estate The Basics Jan Wilcox, Jane Forsyth, 2022-02-23 Real Estate The Basics provides an easy-to-read introduction to the core concepts of the industry to students new to the subject or professionals changing direction within the sector. The book encapsulates the key things you need to know about Real Estate, including the language of real estate, its value and contribution to a country's GDP, its primary purpose, whether as an asset or as a resource, valuation concepts, asset classes, basic concepts of land law and of landlord and tenant law, the increased role and importance of sustainability and technology, and an overview of the wide range of professionals involved in the industry. Readers will come to appreciate how the different elements of the profession fit together and the professional standards and practices that may apply. Real Estate The Basics will be helpful reading for anyone thinking about studying Real Estate Property or other Built Environment topics. It could be used to teach across a wide variety of courses, to provide an aide memoire to those who are already working in the industry, and to give those who are responsible for appointing and monitoring real estate advisers a greater understanding of the workings of the real estate sector.

Real Estate Finance and Investments William B. Brueggeman, Jeffrey D. Fisher, 2005 Rigorous yet practical Real Estate Finance and Investments has been the leading real estate finance and investments text for over 25 years, consistently setting the standard for currency and coverage in real estate finance and investments textbooks. The 13th edition continues to provide students with the tools they need to understand and analyze real estate markets and the investment alternatives available to both debt and equity investors. New content and problems addressing current trends in real estate finance and investments have been seamlessly incorporated into the text without disrupting the material and organization instructors have relied on in past editions.

Real Estate Finance & Investments William B. Brueggeman, Jeffrey D. Fisher, 2008 The 13th edition continues to provide students with the tools they need to understand and analyze real estate markets and the investment alternatives available to both debt and equity investors.
