The Arts of India, Southeast Asia, and the Himalayas at the Dallas Museum of Art Dallas Museum of Art, Anne R. Bromberg, 2013

In recent years the Dallas Museum of Art has expanded its collection of South Asian art from a small number of Indian temple sculptures to nearly 500 works including Indian Hindu and Buddhist sculptures Himalayan Buddhist bronze sculptures and ritual objects artwork from Southeast Asia and decorative arts from India's Mughal period Artworks in the collection have origins from the former Ottoman empire to Java and architectural pieces suggest the grandeur of buildings in the Indian tradition This volume details the cultural and artistic significance of more than 140 featured works which range from Tibetan thangkas and Indian miniature paintings to stone sculptures and bronzes Relating these works to one another through interconnecting narratives and cross references scholars and curators provide a broad cultural history of the region Distributed for the Dallas Museum of Art

The Sculpture of India, 3000 B.C.-1300 A.D. Pramod Chandra, National Gallery of Art (U.S.), 1985 Examines Indian sculptures in color photographs and detailed explanations

A Business History of India Tirthankar Roy, 2018-04-05 In recent decades private investment has led to an economic resurgence in India But this is not the first time the region has witnessed impressive business growth There have been many similar stories over the past 300 years India's economic history shows that capital was relatively expensive How then did capitalism flourish in the region How did companies and entrepreneurs deal with the shortage of key resources Has there been a common pattern in responses to these issues over the centuries Through detailed case studies of firms entrepreneurs and business commodities Tirthankar Roy answers these questions Roy bridges the approaches of business and economic history illustrating the development of a distinctive regional capitalism On each occasion of growth connections with the global economy helped firms and entrepreneurs better manage risks Making these deep connections between India's economic past and present shows why history matters in its remaking of capitalism today

Poverty and Famines Amartya Sen, 1983-01-20 The main focus of this book is on the causation of starvation in general and of famines in particular The author develops the alternative method of analysis the entitlement approach concentrating on ownership and exchange not on food supply The book also provides a general analysis of the characterization and measurement of poverty Various approaches used in economics sociology and political theory are critically examined The predominance of distributional issues including distribution between different occupation groups links up the problem of conceptualizing poverty with that of analyzing starvation

Unruly Waters Sunil Amrith, 2018-12-11 From a MacArthur Genius a bold new perspective on the history of Asia highlighting the long quest to tame its waters Asia's history has been shaped by her waters In Unruly Waters historian Sunil Amrith reimagines Asia's history through the stories of its rains rivers coasts and seas and of the weather watchers and engineers mapmakers and farmers who have sought to control them Looking out from India he shows how dreams and fears of water shaped visions of political independence and economic development provoked efforts to reshape nature through dams and pumps and unleashed powerful tensions within and between nations Today Asian nations are racing to construct hundreds of dams in the Himalayas with dire environmental impacts hundreds of millions crowd into coastal cities threatened by cyclones and storm surges In an age of climate change Unruly Waters is essential reading for anyone seeking to understand Asia's past and its future
