*The Order of Things* Michel Foucault, 2005-08-18 When one defines order as a sorting of priorities it becomes beautifully clear as to what Foucault is doing here With virtuoso showmanship he weaves an intensely complex history of thought He dips into literature art economics and even biology in *The Order of Things* possibly one of the most significant yet most overlooked works of the twentieth century Eclipsed by his later work on power and discourse nonetheless it was *The Order of Things* that established Foucault's reputation as an intellectual giant Pirouetting around the outer edge of language Foucault unsettles the surface of literary writing In describing the limitations of our usual taxonomies he opens the door onto a whole new system of thought one ripe with what he calls exotic charm Intellectual pyrotechnics from the master of critical thinking this book is crucial reading for those who wish to gain insight into that odd beast called Postmodernism and a must for any fan of Foucault

**Nonviolent Communication** Marshall B. Rosenberg, 1999 Explains how to break patterns of thinking that lead to anger depression and violence transform potential conflicts into compassionate dialogues speak your mind without creating resistance or hostility hear whatever is said to you as a please or thank you create greater depth and caring in your intimate relationships and motivate with compassion rather than with fear guilt or shame

**Secrets of the Millionaire Mind** T. Harv Eker, 2009-10-13 1 New York Times Wall Street Journal and USA Today Bestseller *Secrets of the Millionaire Mind* reveals the missing link between wanting success and achieving it Have you ever wondered why some people seem to get rich easily while others are destined for a life of financial struggle Is the difference found in their education intelligence skills timing work habits contacts luck or their choice of jobs businesses or investments The shocking answer is None of the above In his groundbreaking *Secrets of the Millionaire Mind* T Harv Eker states Give me five minutes and I can predict your financial future for the rest of your life Eker does this by identifying your money and success blueprint We all have a personal money blueprint ingrained in our subconscious minds and it is this blueprint more than anything that will determine our financial lives You can know everything about marketing sales negotiations stocks real estate and the world of finance but if your money blueprint is not set for a high level of success you will never have a lot of money and if somehow you do you will most likely lose it The good news is that now you can actually reset your money blueprint to create natural and automatic success *Secrets of the Millionaire Mind* is two books in one Part I explains how your money blueprint works Through Eker's rare combination of street smarts humor and heart you will learn how your childhood influences have shaped your financial destiny You will also learn how to identify your own money blueprint and revise it to not only create success but more important to keep and continually grow it In Part II you will be introduced to seventeen Wealth Files which describe exactly how rich people think and act differently than most poor and middle class people Each Wealth File includes action steps for you to practice in the real world in order to dramatically increase your income and accumulate wealth If you are not doing as well financially as you would like you will have to change your money blueprint Unfortunately your current money blueprint will tend to stay with you for the rest of your life unless you identify and revise it and that's exactly what you will do with the help of this extraordinary book According to T Harv Eker it's simple If you think like rich people think and do what rich people do chances are you'll get rich too
