**Daily Nuggets of Wisdom for Each Day of the Year from G. K. Chesterton** Gilbert Chesterton, 2018-07-10 Excerpts NEW YEAR S DAY THE object of a New Year is not that we should have a new year It is that we should have a new soul and a new nose new feet a new backbone new ears and new eyes Unless a particular man made New Year resolutions he would make no resolutions Unless a man starts afresh about things he will certainly do nothing effective Unless a man starts on the strange assumption that he has never existed before it is quite certain that he will never exist afterwards Unless a man be born again he shall by no means enter into the Kingdom of Heaven JANUARY 3rd COURAGE is almost a contradiction in terms It means a strong desire to live taking the form of a readiness to die He that will lose his life the same shall save it is not a piece of mysticism for saints and heroes It is a piece of everyday advice for sailors or mountaineers It might be printed in an Alpine guide or a drill book This paradox is the whole principle of courage even of quite earthly or quite brutal courage A man cut off by the sea may save his life if he will risk it on the precipice He can only get away from death by continually stepping within an inch of it A soldier surrounded by enemies if he is to cut his way out needs to combine a strong desire for living with a strange carelessness about dying He must not merely cling to life for then he will be a coward and will not escape He must not merely wait for death for then he will be a suicide and will not escape He must seek his life in a spirit of furious indifference to it he must desire life like water and yet drink death like wine No philosopher I fancy has ever expressed this romantic riddle with adequate lucidity and I certainly have not done so But Christianity has done more it has marked the limits of it in the awful graves of the suicide and the hero showing the distance between him who dies for the sake of living and him who dies for the sake of dying And it has held up ever since above the European lances the banner of the mystery of chivalry the Christian courage which is a disdain of death not the Chinese courage which is a disdain of life Orthodoxy FEBRUARY 21st IF Americans can be divorced for incompatibility of temper I cannot conceive why they are not all divorced I have known many happy marriages but never a compatible one The whole aim of marriage is to fight through and survive the instant when incompatibility becomes unquestionable For a man and a woman as such are incompatible What s Wrong with the World JULY 11th THE Church is not a thing like the Athenaeum Club he cried If the Athenaeum Club lost all its members the Athenaeum Club would dissolve and cease to exist But when we belong to the Church we belong to something which is outside all of us which is outside everything you talk about outside the Cardinals and the Pope They belong to it but it does not belong to them If we all fell dead suddenly the Church would still somehow exist in God The Ball and the Cross SEPTEMBER 9th CHATTERING finch and water fly Are not merrier than I Here among the flowers I lie Laughing everlastingly No I may not tell the best Surely friends I might have guessed Death was but the good King s jest It was hid so carefully The Skeleton Wit and Wisdom for every day of the year

**Redemption to Transformation** Richard Gribble,2017 If the Lenten journey is traversed successfully then we can fully enter into the celebratory time of Easter Yet even as we observe these events we must acknowledge that the challenges of the Christian life are ever present We should never forget British writer G K Chesterton s admonition in What s Wrong with the World 1910 The Christian life has not been tried and found wanting it has been found difficult and left untried The Easter season reminds us that despite the triumph of Christ there will always be challenges to our belief We seemingly cannot believe unless we see yet we know that faith often is beyond proof and thus beyond sight as well We are also challenged to discover ways of transforming problematic situations and what appears to be defeat into triumph through the grace of God Additionally this great season of grace teaches us that we must continually evaluate what we do and keep our eyes fixed on Christ and his mission and message Finally as Jesus ascends to the Father we come to realize that the Lord s work in not complete and therefore each day presents us with the opportunity to do something to complete the master s work The cycle B second lesson sermons of Reverend Richard Gribble s Redemption to Transformation The Journey of Lent and Easter represent an understanding of the challenges presented us through this highly significant and very special journey The church in its wisdom gives us this opportunity annually to review where we are and after ascertaining our present position the challenge to move to higher realms that are more consistent with our common Christian call to holiness It is hoped that these reflections will be helpful to you as together we travel the path from Lent to Easter and eventually to Christ and eternal life Redemption to Transformation The Journey of Lent and Easter provides a second lesson sermon for every Sunday of cycle B which will provide the following advantages To give busy pastors ideas for their sermon creation To make the day to day life of being a pastor easier To free up time for counseling visitation or just your own leisure Some Sermon Titles Include Suffering Leads to Victory 1 Peter 3 18 21 Enduring the Trails of Faith Romans 4 13 25 The Cost of Discipleship Philippians 2 5 11 Sacrifice Leads to Life Hebrews 10 16 25 Rising to New Life 1 Corinthians 15 1 11 Richard Gribble CSC is a Catholic priest in the Congregation of Holy Cross He has served at St John Vianney in Goodyear Arizona and as the acting superior at Moreau Seminary at the University of Notre Dame Father Gribble earned his Ph D from The Catholic University of America and has also earned degrees from the United States Naval Academy the University of Southern California and the Jesuit School of Theology at Berkeley He is the author of several books and over 100 articles
